R/2026-CEAC-006

It was moved and seconded

THAT the minutes of the January 14, 2026, Climate and Environment Advisory Committee meeting be adopted as circulated.

CARRIED

4. NEW AND UNFINISHED BUSINESS

4.1 Climate Action Objectives and Key Results (OKRs)

An overview of the Climate Action plan objectives and key results were provided, including five major directions to guide the Climate Action Plan work. The Committee received information on current climate initiatives, including rental units overheating considerations, emergency preparedness, tree canopy expansion, natural asset planning, building energy efficiency, and active transportation targets. Members asked clarifying questions and offered comments.

5. STAFF REPORTS

Staff provided updates on major planning projects, including the Loughheed Transit Corridor Plan, the North 256 Area Plan, upcoming Official Community Plan (OCP) work, and the Natural Hazards Report expected in 2026. Additional updates were given on tree-tracking initiatives and climate-related planning work.

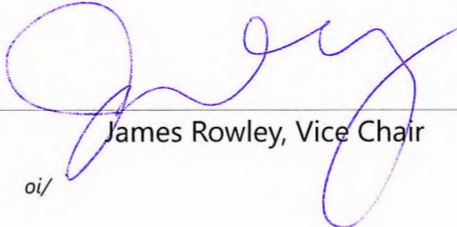

6. COUNCIL LIAISON UPDATE

Council provided updates on the Loughheed Transit Corridor Plan and regional transportation matters, including the Golden Ears Bridge expansion. They noted transportation and congestion remain key priorities for Council.

7. MEMBER ROUNDTABLE

Members shared general comments regarding community amenities, transportation improvements, and climate-related opportunities.

8. ADJOURNMENT – 8:46 PM

James Rowley, Vice Chair
