The proposed application would affect the student population for the catchment areas currently served by Glenwood Elementary and Maple Ridge Secondary.

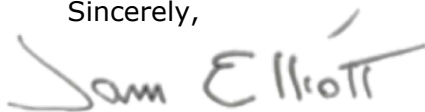

Glenwood Elementary has an operating capacity of 383 students. For the 2023-24 school year the student enrolment at Glenwood Elementary was 361 students (94% utilization) including 80 students from out of catchment.

Maple Ridge Secondary has an operating capacity of 1300 students. For the 2023-24 school year the student enrolment at Maple Ridge Secondary was 1169 students (90% utilization) including 715 students from out of catchment and 320 French Immersion students.

Based on the density estimates for the various land uses at build out the following would apply:

- For the construction of 152 dwelling units, the estimated number of school age residents is 11.
